Part 2 Adjustment of fees for inflation

1 Definitions

In this Part—

CPI number means the Consumer Price Index (All Groups Index) for Sydney published by the Australian Bureau of Statistics in the latest published series of that index.

financial year means a period of 12 months commencing on 1 July.

2 Calculation of fee unit for Regulation

(1) In this Regulation, a fee unit is—

- (a) in the financial year 2022–2023—\$103.05, and
- (b) in each subsequent financial year—the amount calculated as follows—

$$\$103.05 \times \frac{A}{B}$$

where—

A is the CPI number for the December quarter in the financial year immediately preceding the financial year for which the amount is calculated.

B is the CPI number for the December quarter of 2021.

- (2) The amount of a fee unit is to be rounded to the nearest cent and an amount of 0.5 cent is to be rounded down.
- (3) However, if the amount of a fee unit calculated for any financial year is less than the amount that applied for the previous financial year, then the amount for that previous financial year applies instead.

Editorial note. Fee unit amount calculated under this clause—

Financial year	Fee unit amount
2023–24	\$110.93

3 Rounding of fee amounts

The amount of a fee calculated by reference to a fee unit is to be rounded to the nearest dollar and an amount of 50 cents is to be rounded down.

4 Notice of indexed fees

- (1) As soon as practicable after the CPI number for the December quarter is published by the Australian Bureau of Statistics, the Secretary of the Department of Communities and Justice is required to—

- (a) notify the Parliamentary Counsel of the amount of the fee unit for the next financial year so that notice of that amount can be published on the NSW legislation website, and
 - (b) give public notice on an appropriate government website of the actual amounts of the fees applying in each financial year resulting from the application of the amount of a fee unit calculated under this Part.
- (2) This Part operates to change an amount of a fee that is calculated by reference to a fee unit and that change is not dependent on the notification or other notice required by this clause.
