

Tree Disputes Helpdesk

About Us

The Tree Disputes Student Helpdesk is a pro bono service attended by Macquarie University law students under the supervision of a qualified legal practitioner.

The Helpdesk is aimed at providing information and procedural assistance in **tree and hedge dispute matters** to members of the public.

This service may be helpful for preparation before and during the legal process. Clients may receive assistance with the following matters:

- Who can make an application?
- When can an application be made?
- How to start the application
- Practice & procedures for disputes
- **Legal advice cannot be provided.**

The Helpdesk is available for appointments between 9.30am and 12 noon every Tuesday. Appointments can be made in person at the Land and Environment Court Registry on Level 4, by telephone or by filling out the Court's [appointment request form](#).
